

# Multi-Cart Redirector for Dragonpay

Payment Gateway Integration

[Overview](#)[Order / Pricing](#)[Setup Guide](#)[ChangeLog](#)[Compatibility](#)[Demo](#)[| Key Points | Screen Captures |](#)

## Multiply Sales Channels!

Because Dragonpay only allow one Return and Postback URL per account you are limited to sell from a single website.

Multi-Cart Redirector makes it possible to have up to 25 websites going through the same Dragonpay account!

Redirector give you one Return and Postback URL common to your entire sale network

Redirector broadcast communication to the appropriate endpoint.

## Key Points

### Cart-Agnostic

Multi-Cart Redirector can work with any shopping cart that can send to Dragonpay its Shopping Cart ID through transaction parameters.

### Shopping-Cart ID

Each shopping cart must be able to send to Dragonpay its Shopping Cart ID through transaction parameters, then Multi-Cart Redirector can relay Return and Postback communication from Dragonpay to the appropriate shopping cart.

### Natively supported by :

- Dragonpay for WooCommerce (<http://sishop.ph/dragonpay-plugin-for-woocommerce>)
- Dragonpay for Magento (<http://sishop.ph/dragonpay-extension-for-magento>)
- Dragonpay for Ecwid (<https://sishop.ph/dragonpay-for-ecwid>)
- Dragonpay for Ticketmaster (<http://sishop.ph/dragonpay-extension-for-ticketmaster>)

If your Shopping Cart is not listed, please let us know.

## Dead Simple Installation

Just launch the install script in your browser!

## Log Mode

Option to write Redirections log in database table:

<input type="checkbox"/>	id ↑	date ↑	action ↑	shopping_cart_id ↑	refno ↑	txnid ↑	destination ↑
